Front End Web Developer

PROFILE

Having been in sales, consulting, banking and finance for the past 15 years, I am pursuing my latest passion ... web development and creation.

My work has been primarily in JavaScript, HTML, and CSS and in tandem with backend rails and mobile frameworks. Here is a complete list of the various tools I have used.

PROGRAMMING	STYLE	WORKFLOW	ADDITIONAL
HTML5	CSS3	Gulp	Microsoft Office
JavaScript	SASS	Bower	Google Docs
Angularjs	Foundation	Git/Github	Parse (for API data)
Reactjs	Bourbon/Neat		
jQuery			

EXPERIENCE
